SHUFFLEBOARD 101

15% SKILL AND 85% STRATEGY

They say shuffleboard takes two minutes to learn and a lifetime to master... And that's without taking into account your piña colada consumption. It's pretty hard to be bad and impossible shots are almost always possible.

You'll get a quick lesson from one of our Royal Palms Shuffleboard pros the minute you land on the courts and you'll be knocking biscuits into the kitchen in no time!

Shuffleboard is played by using "tangs" (cues) to push weighted "biscuits" (discs) down a waxed court into a scoring triangle of 7's 8's and 10's. Be careful not to push too far or you'll wind up in the kitchen - minus 10! Players alternate turns and can knock each other's biscuits into or out of scoring areas. The Hammer is the last disc of the frame (a huge advantage) so alternate who gets to go last each frame. We play 8 frame games which take about 15 minutes.

Finally and most importantly, DO NOT WALK ON COURTS!

WHAT IS A CABANA PARTY

The only way to reserve court time for a group of 10+ at The Royal Palms is by booking a Cabana Party. A Cabana Party includes court(s), complimentary cabana(s), a shuffleboard lesson, game coaching, courtside drink service and a required two or three hour beverage package for all guests. The Royal Palms is primarily a first-come, first-served shuffleboard club, so you're always welcome to walk in and sign up for a court!

ARRIVE WITH YOUR GUESTS

Check in at the front desk under your host's or company's name!

We always recommend booking for your minimum confirmed guests, as you're always welcome to add more people when you arrive, but we can only accommodate a 10% guest count decrease with 48+ hours notice.

HEAD OVER TO YOUR COURTS AND CABANAS

At the starting time of your event you'll be escorted to your indoor court(s) and indoor cabana(s).

ENJOY YOUR UNLIMITED BEVERAGE PACKAGE

Once at your cabana(s), a server will wristband your guests and take an initial drink order before moving on to the court. You'll be able to order drinks from your server or the bar! All guests in attendance will be included in your selected beverage package and all packages include all of our non-alcoholic beverages.

LEARN TO PLAY!

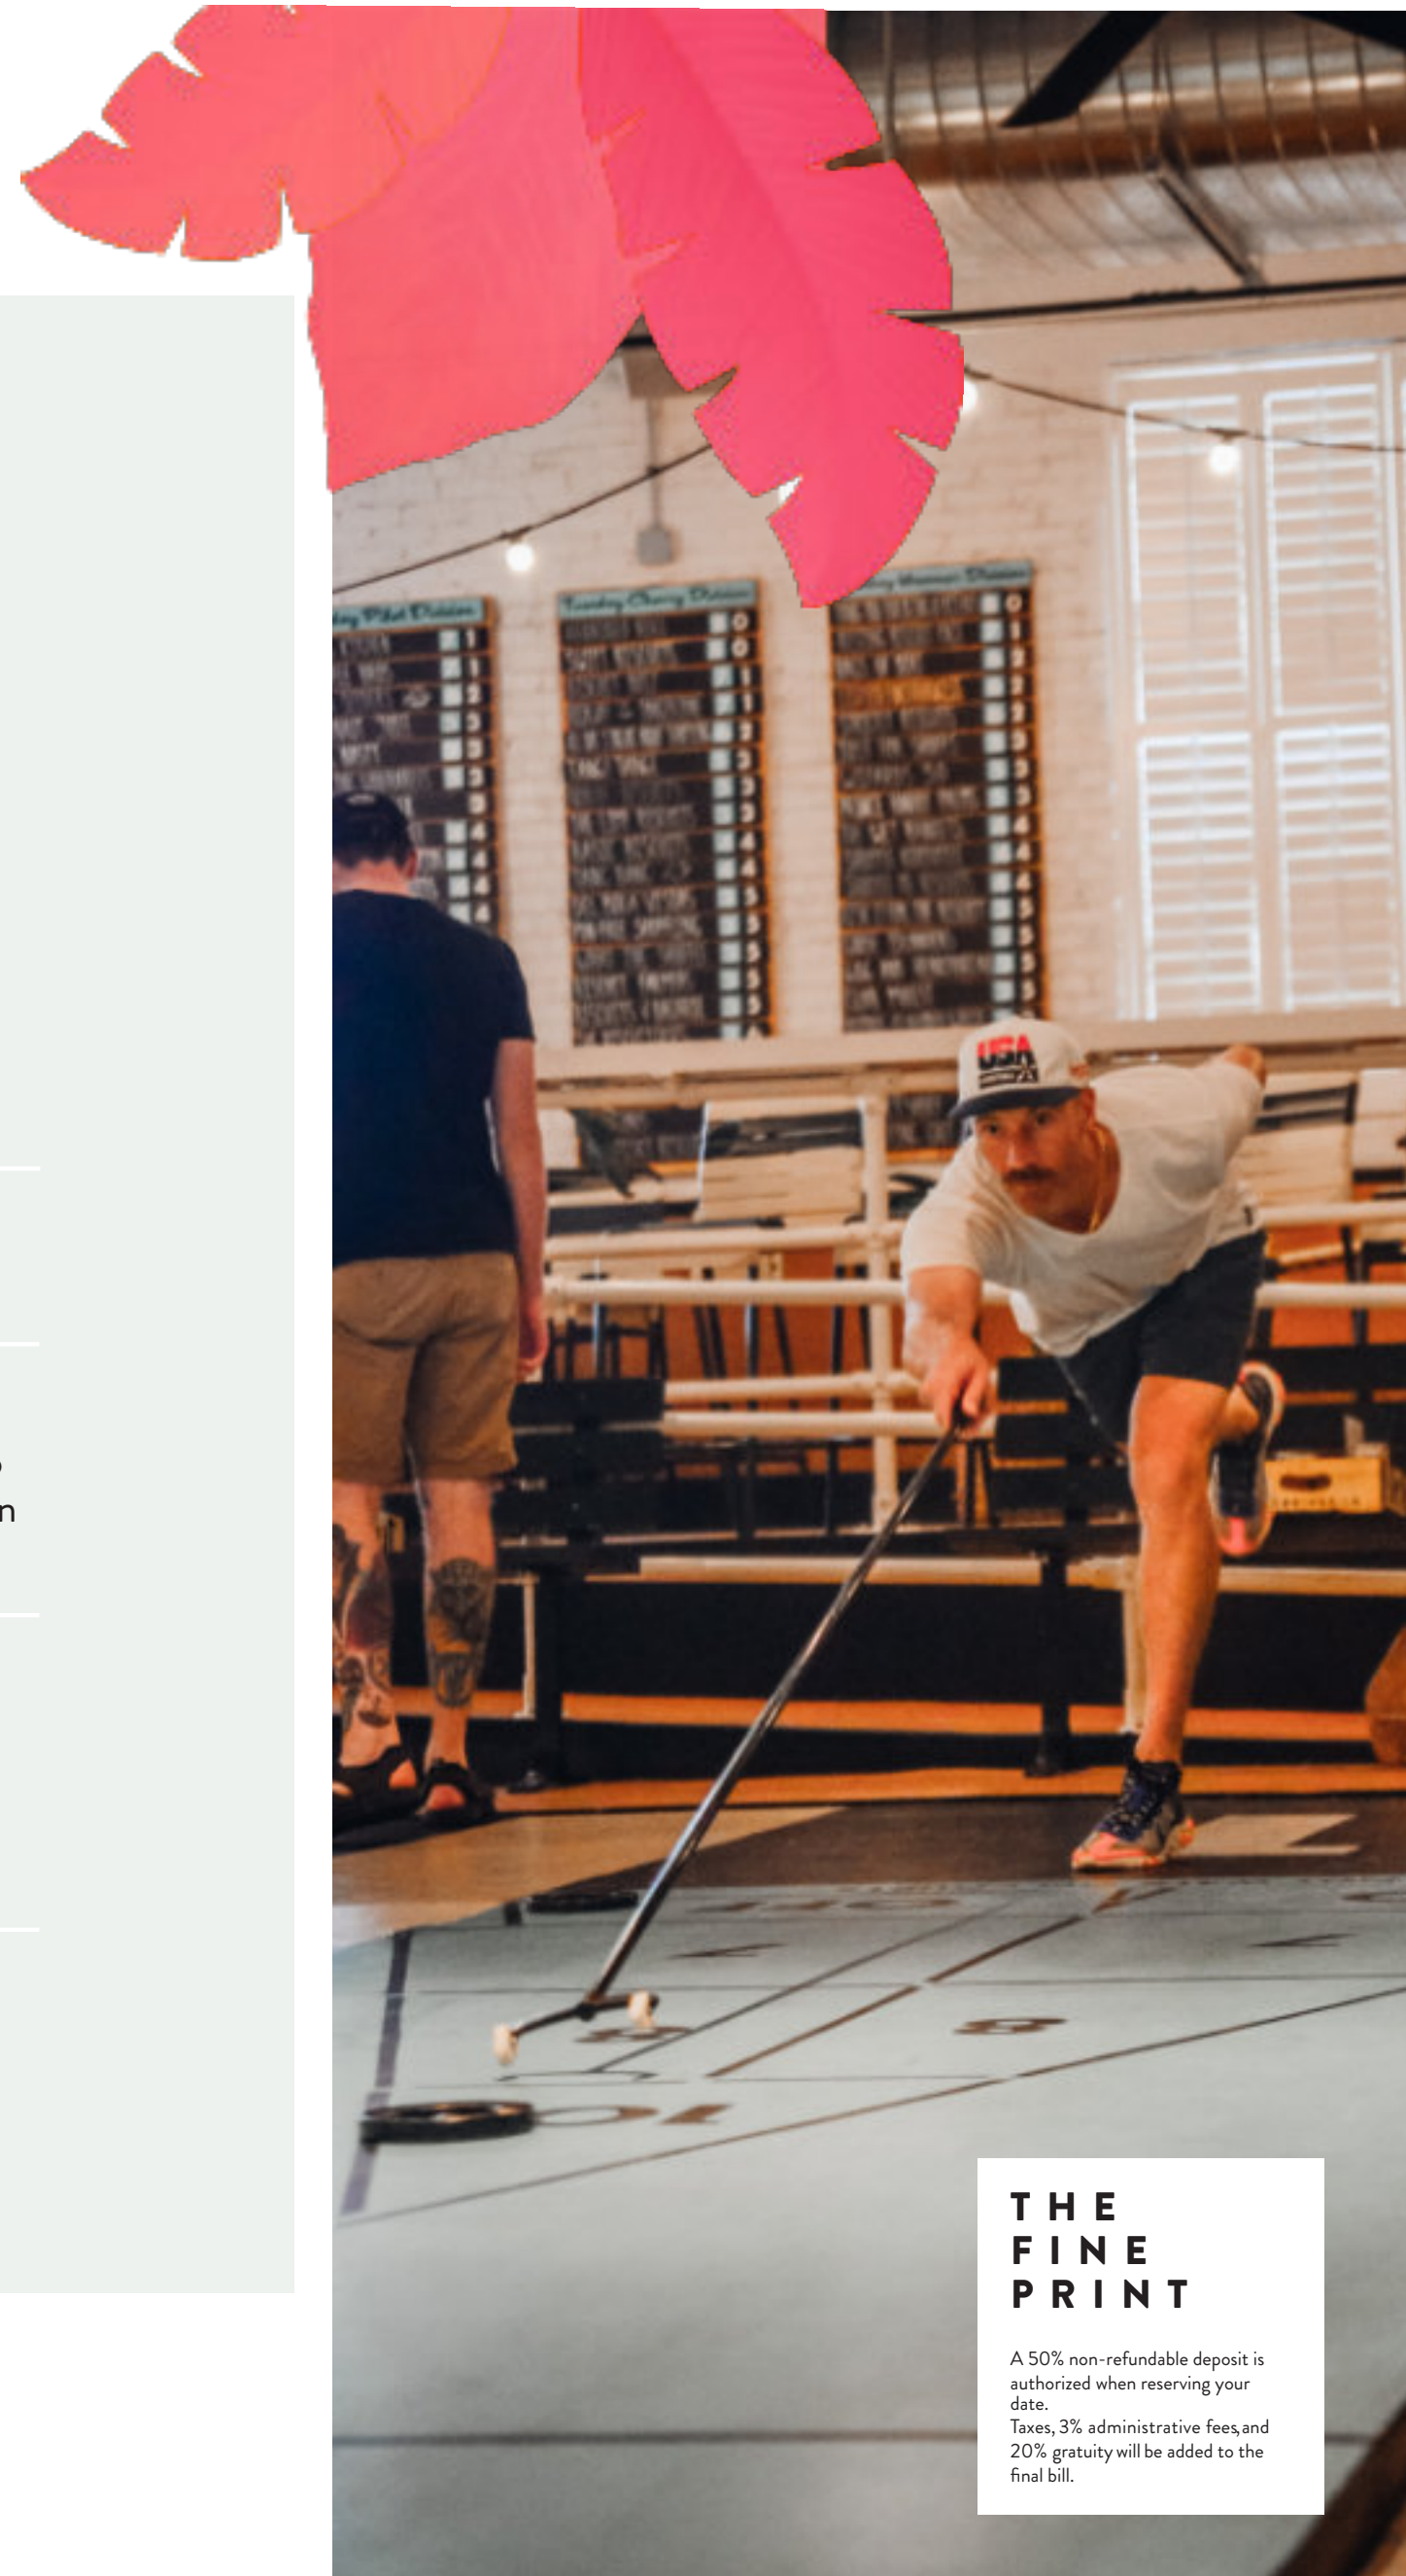

A trained shuffleboard professional will spend some time with your party to teach the game, rules, scoring, technique and strategy in order to get you shuffling like a pro in no time. Shuffleboard is played 2 on 2, 4 on 4 or 8 on 8 and each game takes about 15 minutes!

We'll be there to coach you along throughout your party!

PARTY ALL NIGHT!

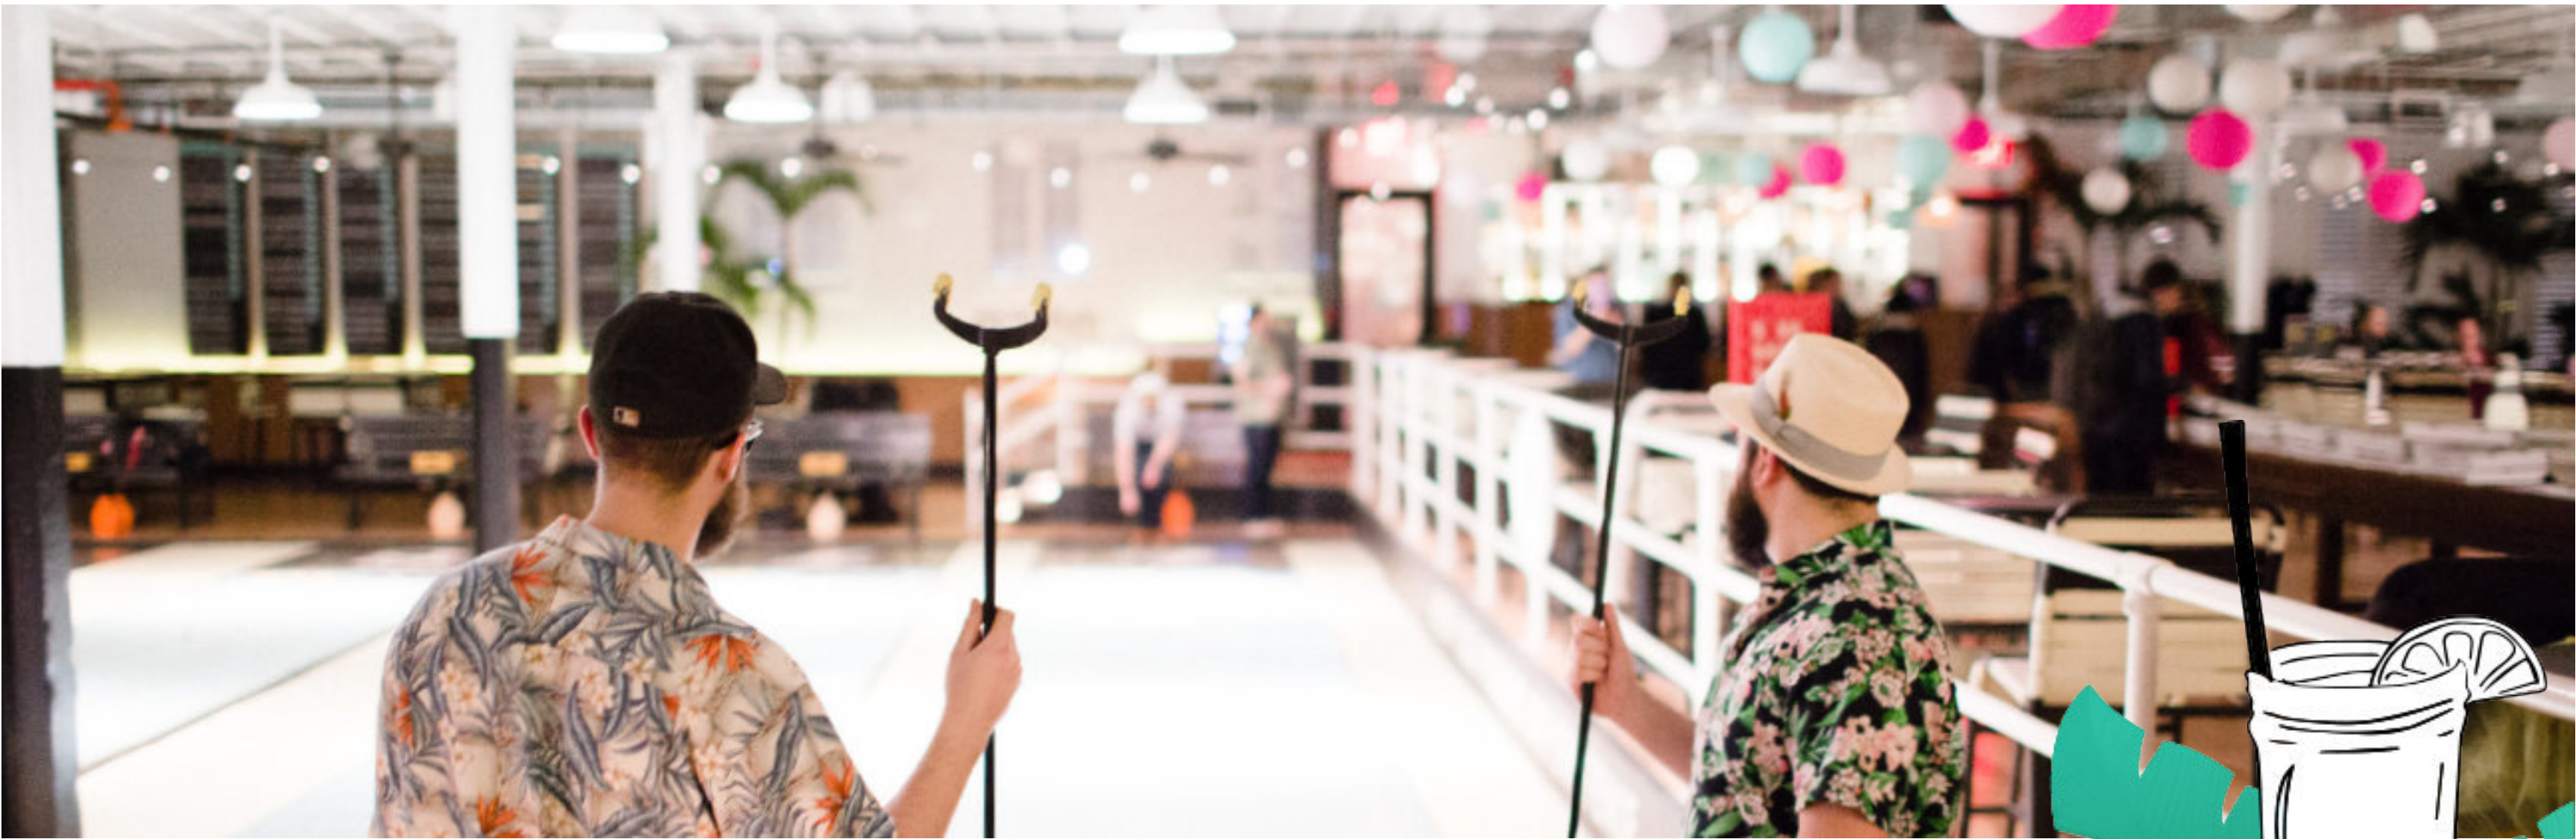

You'll receive a heads up when your party time is almost up!

Please note we are a 21+ venue unless in the case of a full venue buyout.

THE FINE PRINT

A 50% non-refundable deposit is authorized when reserving your date.
Taxes, 3% administrative fees, and 20% gratuity will be added to the final bill.

SHUFFLEBOARD

HOW WE GOT STARTED

After a spontaneous trip in the winter of 2011 to the Mirror Lake Shuffleboard Club in St. Petersburg, Florida, owners Ashley Albert and Jonathan Schnapp set out to build a shuffleboard club in Brooklyn.

By July 2012, they'd secured the lease on a 17,000 square foot warehouse in Gowanus and set about raising money to make their vintage-Florida Shuffleboard dreams come true. It took another year and a half of fundraising and kickstartering and designing and permitting before the doors to The Royal Palms were ready to open in the winter 2013.

Today, people from all over the world come to visit and fall in love with the game. The Royal Palms Monday and Tuesday Night Shuffleboard League is the largest in the world and Ashley and Jonathan are now internationally ranked shuffleboard players!

In winter 2018 The Royal Palms launched their second shuffleboard club in the Wicker Park/Bucktown area of Chicago.
